

2018 KOA Care Camps Funding Application

Welcome to the 2018 KOA Care Camps funding application process!

We wish to take this opportunity to thank you and your staff for all the hard work and passion that you put into your cancer camps, to help give sick kids a respite from their medical journey.

In 2017 KOA Care Camps reached a significant milestone of raising \$12 million since it was established. We also supported 129 camps and distributed almost \$1.3 million in grant funds.

Our Board has mandated that all the cancer camps that we support must be members of COCA-I to receive funding. To join please go to www.cocai.org.

Please take note of the following information to help you successfully complete the application process:

- Applications must be submitted on line at <https://koacarecamps.org/grant-application/>
- To assist you there is a working copy of the application form on our website at: <https://koacarecamps.org/grant-application/> which you can print and fill in prior to entering the information online.
- The deadline for completing the application is April 15, 2018.
- If you provide all the necessary information and documents to allow us to complete our application review, we will advise you of the approved funding amount by April 30th.
- Our goal is to have the funding checks ready to go out by the end of May so you will have the funds in time to run your summer programs.

Should you have any questions or require any further information please contact me at kmcandrew@koacarecamps.org or by cell at 1-800-431-0513.

Karen McAndrew
